

**User Awareness program on EBOOK
(5th April 2018)
Sponsored by
ELSEVIER
Organised by
Central Library**

Central Library, Kumaun University is conducting a awareness program for promoting, training and building awareness among eBook users of ScienceDirect across South Asia.

This event will help to increase the usage of existing eBooks subscribed the university and sharing information on following topics:

- Elsevier - An Introduction & how we solve your research challenges through information analytics
- Overview of Kumaun University's Research Output and Collaborations
- Our evidence based publishing for your research solutions
- Topic page innovation on ScienceDirect for researchers
- How eBooks and Journals work together to make a complete content for any Research (Benefits of CoUsage)
- Kumaun Univesity usage trend on ScienceDirect explained through CoUsage and Turnaways
- Live Demo ScienceDirect Platform – How to navigate, read and download eBooks subscribed by the university.
- Q&A

It is therefore kindly to register to participate in the awareness program and it would be good enough, if circulate this mail among others faculties members and research scholars of the department.
